NON-OWNED AND RENTED AUTO LIABILITY

Named Insured			Endorsement Number
Policy Symbol	Policy Number	Policy Period	Effective Date of Endorsement
Issued By (Name of Insurance Company)			

Insert the policy number. The remainder of the information is to be completed only when this endorsement is issued subsequent to the preparation of the policy.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SCHEDULE

Insurance is provided only with respect to those coverages for which a specific premium charge is shown:

Coverage	Limit of Insurance	Premium
Non-Ownership Liability	\$ 1,000,000	\$ Included
Rented Auto Liability	\$ 1,000,000	\$ Included

(If no entry appears above, the information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

COVERAGE

If a Limit of Insurance and premium is shown in the Schedule, we will pay all sums an insured legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" which occurs during the policy period and results from the maintenance or use of a "rented auto" by you or your employees in the course of your business, and/or the use of any "non-owned auto" in your business by any person other than you.

We have the right and duty to defend any "suit" asking for these damages. However, we have no duty to defend "suits" for "bodily injury" or "property damage" not covered by this endorsement. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Limit of Insurance shown in the Schedule or in the declarations as applicable to this endorsement has been exhausted by payment of judgments or settlements.

EXCLUSIONS

With respect to the insurance provided by this endorsement:

1. The COVERAGE A (Section 1), exclusions a, b, d, and i and the Nuclear Liability Exclusion (Broad Form) apply to this endorsement. All other exclusions in Coverage A are deleted. The following additional exclusions apply to this endorsement only:

- a. Bodily injury:

- (1) To an employee of the insured arising out of and in the course of employment by the insured; or
- (2) To the spouse, child, parent, brother or sister of that employee as a consequence of (1) above.

(Continued on Reverse)

This exclusion applies:

- (1) Whether the insured may be liable as an employer or in any other capacity; and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of injury.

This exclusion does not apply to.

- (1) Liability assumed by the insured under an "insured contract"; or
- (2) "Bodily injury" arising out of and in the course of domestic employment by the insured unless benefits for such injury are, in whole or in part, either payable or required to be provided under any workers' compensation law.

b. "Property damage" to:

- (1) Property owned or being transported by, or rented or loaned to the insured; or
- (2) Property in the care, custody or control of the insured.

c. "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants:

- (1) That are, or that are contained in any property that is:
 - (a) Being transported or towed by, or handled for movement into, onto or from the covered "auto";
 - (b) Otherwise in the course of transit; or
 - (c) Being stored, disposed of, treated or processed in or upon the covered "auto";
- (2) Before the pollutants or any property in which the pollutants are contained are moved from the place where they are accepted by the insured for movement into or onto the covered "auto"; or
- (3) After the pollutants or any property in which the pollutants are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the insured.

Any loss, cost or expense arising out of any demand or request that you test for, monitor, clean up, remove, contain, treat, detoxify or neutralize any pollutants. This includes demands, directives, complaints, "suits" or requests brought by any governmental entity or by any person or group of persons.

Pollutants means any solid, liquid, gaseous thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

Paragraph C.(1)(c) does not apply to fuels, lubricants, fluids, exhaust gases or other similar pollutants that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the "auto" or its parts, if:

- (1) The pollutants escape or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such pollutants; and
- (2) The "bodily injury" or "property damage" does not arise out of the operation of any "mobile equipment."

Paragraphs (2) and (3) of this exclusion do not apply if:

- (1) the pollutants or any property in which the pollutants are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (2) the discharge, dispersal, release or escape of the pollutants is caused directly by such upset, overturn or damage.

2. WHO IS AN INSURED (SECTION II) is replaced by the following:

Each of the following is an insured under this insurance to the extent set forth below:

- a. You;
- b. Any other person using a "rented auto" with your permission;
- c. With respect to a "non-owned auto," any partner or executive officer of yours, but only while such "non-owned auto" is being used in your business;
- d. Any other person or organization, but only with respect to their liability because of acts or omissions of an insured under a., b., or c. above.

None of the following is an insured

- a. Any person engaged in the business of his or her employer with respect to "bodily injury" to any co-employee of such person injured in the course of employment;
- b. Any partner or executive officer with respect to any "auto" owned by such partner or officer or a member of his or her household;
- c. Any person while employed in or otherwise engaged in duties in connection with an "auto business," other than an "auto business" you operate;
- d. The owner or lessee (of whom you are a sublessee) of a "rented auto" or the owner of a "non-owned auto" or any agent or employee of any such owner or lessee;
- e. Any person or organization with respect to the conduct of any current or past partnership or joint venture that is not shown as an Insured in the Declarations.

3. LIMITS OF INSURANCE (Section III) is replaced by the following:

Regardless of the number of "autos," insureds, premiums paid, claims made or vehicles involved in the "accident," the most we will pay for all damages resulting from any one "accident" is the applicable Limit of Insurance shown in the Schedule.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident."

4. Paragraph 4b of Section IV — COMMERCIAL GENERAL LIABILITY CONDITION is replaced by the following:

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is covering the auto as an owned auto

When this insurance is excess, we will have no duty under this endorsement to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of.

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance;
and

(2) The total of all deductible and self-insured amounts under all that other insurance

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limit of Insurance shown in the Schedule.

5. The following additional definitions apply:

"Accident" includes continuous or repeated exposure to the same conditions resulting in "bodily injury" or "property damage."

"Auto business" means the business or occupation of selling, repairing, servicing, storing or parking "autos."

"Non-owned auto" means any "auto" you do not own, lease, hire or borrow which is used in connection with your business. However, if you are a partnership a "non-owned auto" does not include any auto owned by any partner.

"Rented auto" means any "auto" you lease, hire, or borrow. This does not include any "auto" you lease, hire, or borrow from any of your employees or members of their households, or from any partner or executive officer of yours

**-- PLEASE READ THIS LETTER --
IMPORTANT INFORMATION CONCERNING YOUR
CHAPTER/CLUB LIABILITY INSURANCE PLAN**

Dear Chapter Leader:

Enclosed is your renewal policy for the Chapter/Club Liability Insurance Plan underwritten by the Insurance Company of North America (CIGNA). Please keep it in a safe place with your Chapter's other important documents.

We've also enclosed a premium notice for your Chapter/Club Liability Insurance Plan. Please return this premium notice along with your check made payable to Albert H. Wohlers & Co. We urge you to respond as quickly as possible.

We are certain that you will find the Chapter/Club Liability Insurance Plan provides you with comprehensive protection at a lower premium rate than you would be able to purchase on an individual basis. In fact, this type of insurance is difficult, if not impossible, to secure economically in today's liability insurance marketplace.

Every time your Chapter holds a meeting or sponsors an event, you leave yourself, other officials and the Chapter itself open to a potential lawsuit. As the sponsoring organization, you could be accused of negligence that results in bodily injury or property damage ... or may in some way be held liable for damages.

If you, your Chapter, or any officials are faced with a lawsuit, it could mean financial disaster. Even if the charges brought against you are false and groundless and you eventually win the case, your Chapter will still have to pay for legal defense ... which could be quite costly.

Please return the enclosed premium notice with your premium payment for the Chapter/Club Liability Insurance Plan. Thank you for giving us the opportunity to serve you and your Chapter's insurance needs.

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Malik", is written over a horizontal line.

James R. Malik
Executive Vice President

P.S. Please mail your payment by the date shown on your premium notice. Any payment delay could cause a lapse in your coverage ... ACT TODAY!

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we," "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under WHO IS AN INSURED (SECTION II).

Other words and phrases that appear in quotation marks have special meaning. Refer to DEFINITIONS (SECTION V).

SECTION I - COVERAGES

COVERAGE A. BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement.

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. SECTION II - WHO IS AN INSURED

1. If you are designated in the Declarations as:

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
- b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
- c. An organization other than a partnership or joint venture, you are an insured. Your executive officers and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

2. Each of the following is also an insured:

- a. Your employees, other than your executive officers, but only for acts within the scope of their employment by you. However, no employee is an insured for:
 - (1) "Bodily injury" or "personal injury" to you or to a co-employee while in the course of his or her employment, or the spouse, child, parent, brother or sister of that co-employee as a consequence of such "bodily injury" or "personal injury," or for any obligation to share damages with or repay someone else who must pay damages because of the injury; or
 - (2) "Bodily injury" or "personal injury" arising out of his or her providing or failing to

provide professional health care services; or

- (3) "Property damage" to property owned or occupied by or rented or loaned to that employee, any of your other employees, or any of your partners or members (if you are a partnership or joint venture).

- b. Any person (other than your employee), or any organization while acting as your real estate manager.

- c. Any person or organization having proper temporary custody of your property if you die, but only:

- (1) With respect to liability arising out of the maintenance or use of that property; and

- (2) Until your legal representative has been appointed.

- d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

3. With respect to "mobile equipment" registered in your name under any motor vehicle registration law, any person is an insured while driving such equipment along a public highway with your permission. Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the equipment, and only if no other insurance of any kind is available to that person or organization for this liability. However, no person or organization is an insured with respect to:

- a. "Bodily injury" to a co-employee of the person driving the equipment; or

- b. "Property damage" to property owned by, rented to, in the charge of or occupied by you or the employer of any person who is an insured under this provision.

4. Any organization you newly acquire or form, other than a partnership or joint venture, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

- a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

**COMMERCIAL GENERAL LIABILITY
COVERAGE FORM**

- b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
- c. Coverage B does not apply to "personal injury" or "advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership or joint venture that is not shown as a Named Insured in the Declarations.

SECTION III - LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits."
2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage C;
 - b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard;" and
 - c. Damages under Coverage B.
3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard."
4. Subject to 2. above, the Personal and Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal injury" and all "advertising injury" sustained by any one person or organization.
5. Subject to 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage A; and
 - b. Medical expenses under Coverage C because of all "bodily injury" and "property damage" arising out of any one "occurrence."

6. Subject to 5. above, the Fire Damage Limit is the most we will pay under Coverage A for damages because of "property damage" to premises rented to you arising out of any one fire.

7. Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The limits of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

**SECTION IV - COMMERCIAL GENERAL
LIABILITY CONDITIONS**

1. Bankruptcy.

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Claim Or Suit.

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit;"
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement or defense of the claim or "suit;" and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insureds will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us.

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured;
or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance.

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected

unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

- (1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work;"
- (2) That is Fire insurance for premises rented to you; or
- (3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Coverage A (Section 1).

When this insurance is excess, we will have no duty under Coverage A or B to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

**COMMERCIAL GENERAL LIABILITY
COVERAGE FORM**

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit.

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations.

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us.

If the insured has rights to recover all or part of any payment we have made under this Coverage

Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew.

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

**AN IMPORTANT MESSAGE
TO OUR WISCONSIN POLICYHOLDERS**

Effective October 1, 1989, Wisconsin law requires us to notify you that, if you cancel this policy prior to its expiration date, the terms and conditions of your policy may require that you pay a substantial penalty.

For information regarding whether this penalty applies to your policy, we suggest you contact your CIGNA agent or broker.

IMPORTANT NOTICE TO POLICYHOLDERS

This is a summary of the major changes found in the new editions of the Commercial General Liability Coverage Forms. NO COVERAGE IS PROVIDED BY THIS SUMMARY nor can it be construed to replace any provision of your policy. YOU SHOULD READ YOUR POLICY AND REVIEW YOUR DECLARATIONS PAGE for complete information on the coverages you are provided. If there is any conflict between the policy and this summary, THE PROVISIONS OF THE POLICY SHALL PREVAIL.

There are two versions of the Commercial General Liability Coverage Form, the "Occurrence" and "Claims-made" versions (CG 00 01 and CG 00 02). The areas within the policy that broaden, reduce or clarify coverage are highlighted below. We have followed the policy sequence of provisions in setting out this material.

BROADENINGS IN COVERAGE

THE MAJOR NEW COVERAGE ENHANCEMENTS FOUND IN YOUR POLICY ARE:

Coverage for Personal Injuries – which has been expanded to include liability arising from the invasion of a person's right to private occupancy of a room, dwelling or premises if such invasion is committed by or on behalf of the owner, landlord or lessor. (See Section 5 of your policy)

Coverage for Legal Proceedings – which has been newly expanded to include all types of alternative dispute resolution proceedings including arbitration and pre-trial mediation. (See Section 5 of your policy)

REDUCTIONS IN COVERAGE

POLICYHOLDERS PLEASE ALSO NOTE THAT THESE CHANGES HAVE RESULTED IN THE FOLLOWING REDUCTIONS IN COVERAGE:

Personal Property in the care, custody and control of the insured. Previously, coverage was excluded for the named insured ("you"). (See Section 1, Part 2 of your policy)

Third party actions involving co-employees. (See Section 2 of your policy)

Wrongful eviction from or wrongful entry into a room, dwelling or premises unless such entry is committed by or on behalf of the owner, landlord or lessor. (See Section 5 of your policy)

Any agreements which involve construction or demolition operations within fifty feet of railroad property. (See Section 5 of your policy).

CLARIFYING, EDITORIAL AND PROCEDURAL CHANGES

SOME OF THE LANGUAGE IN THE NEW POLICY HAS BEEN RESTATED AND REPUNCTUATED FOR CLARITY AND READABILITY BUT WITH NO CHANGE IN COVERAGE INTENT.

The definition of "YOU" has been expanded to include newly acquired organizations in order to insure that newly acquired organizations possess full named insured status. (See the preamble of your policy)

The coverage trigger for personal and advertising injury liability in the "Claims made" coverage form has been revised to apply on a claims made basis, rather than the previous "offenses committed" basis. In addition, **Extended Reporting Period Coverage** is now provided for Personal and Advertising Injury Liability. (See Section 1, Coverage B of your policy)

CLARIFYING, EDITORIAL OR PROCEDURAL CHANGES (Con't)

The CGL Pollution Liability Exclusion (Section 1, Coverage A, Exclusion F.) has been changed to improve readability and insure consistency in coverage interpretation.

The exclusion now clearly indicates that no coverage exists for the emission of pollutants.

- at or from any premises, site or location which is or was at any time owned or occupied by or rented or loaned to, any insured;
- at or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
- which are or were at any time transported, handled, stored, treated, disposed of or processed as waste by or for any insured or any person or organization for whom the named insured may become legally responsible; and,
- at or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insureds behalf are performing operations if the pollutants are brought on to the premises, site or location in connection with such operations by such insured contractor or subcontractor

The exclusion has also been updated to

- exclude coverage for the new liabilities imposed by the Superfund Amendment and Reauthorization Act of 1986, and,
- exclude coverage for any claim or suit made by or on behalf of any governmental authority for damages or reimbursement expenses arising from the testing for, monitoring, clean-up, containment, etc., of pollutants

The exclusion has also been amended to incorporate the language contained in Endorsement CG 00 41 05 86 that renders the exclusion inapplicable to injury or damage arising from smoke from a hostile fire

Contractual Liability Coverage has never been provided for injury or damage that occurs prior to the execution of any contract or agreement. The Contractual Liability Exclusion has been reworded to clarify this provision. (See Section 1 of your policy)

When We Do Not Renew Endorsement CG 00 04 02 86 has been incorporated into the "occurrence" coverage form. (See Condition 9, Section 4 of your policy)

Your Right to Claim and Occurrence Information has never permitted you to disclose occurrence or claim information without written consent of the insurer. Accordingly, Condition 10 in Section 4 of the "Claims made" coverage form has been revised to prohibit such disclosure without written consent of the insurer

Products and Completed Operations Coverage Provisions have been revised to clarify original coverage intent to provide coverage for failure to adequately warn under the "products/completed operations hazard." (See Section 5 of your policy).

The Definition of Insured Contract has been clarified to expressly include coverage for work you performed for an indemnified municipality if liability is imposed by law in the absence of such indemnification. (See Section 5 of your policy).

The Definition of Property Damage has been clarified to indicate that.

- loss of use of tangible property that has been physically injured shall be deemed to occur at the time of the physical injury that caused it; and,
- loss of use of tangible property that has not been physically injured shall be deemed to occur at the time of the occurrence that caused it

**WORK PERFORMED BY SUBCONTRACTORS PREMIUM DETERMINATION**

Your Commercial General Liability Coverage automatically covers you for liability arising from operations performed on your behalf by subcontractors, subject to all applicable provisions of the contract.

In the event that you engage subcontractors to perform work for you, your premium will be adjusted to reflect this exposure. The premium you are charged for subcontracted work will vary depending on the nature of the work performed by the subcontractor(s), whether the subcontractors are insured for such operations and, if so, the General Liability limits carried by the subcontractors. Normally, a lower premium for such work will apply if we determine that the insurance carried by the subcontractor is likely to be "adequate" for the operations performed.

The following questions and answers are intended to assist you in understanding how we determine your premium for subcontracted work.

1. When Is The Insurance Carried By a Subcontractor Considered To Be "Adequate"?

Unless otherwise specified by us prior to inception of your policy, subcontractors will be considered to be "adequately insured" (for purposes of premium computation only) if the subcontractor, during the period of time that the work is performed for you, carries liability insurance with limits at least equal to the lesser of the following:

\$500,000 per occurrence
\$500,000 aggregate

OR

Your Commercial General Liability Limits

Satisfactory evidence of the insurance carried by the subcontractor (i.e. a certificate of insurance) showing limits and coverages afforded must be available at the time we audit your policy.

Premises/operations and completed operations coverages are handled separately, subject to the same rules. Therefore, your premium for the exposures of an individual subcontractor could be calculated using both methods described below, depending on whether the subcontractor is determined to have "adequate" insurance for each of the coverages.

2. What Is The Classification and The Premium Basis For Work Performed By Subcontractors With "Adequate" Insurance?

When the insurance carried by a subcontractor is determined to be "adequate," we will use the Independent contractor classifications which reflect your lower exposure. In addition, we will use the total cost of the subcontracted work as the premium basis for those operations performed by the subcontractor on your behalf.

3. What Is The Classification and The Premium Basis For Work Performed By Subcontractors Without "Adequate" Insurance?

The premium you are charged for work performed on your behalf by contractors without "adequate" insurance will be calculated using the classification which relates to the specific operations performed for you by such contractors. In addition, we will use the actual payroll of these employees as the premium basis.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SCHEDULE

Insurance is provided only with respect to those coverages for which a specific premium charge is shown:

Coverage	Limit of Insurance	Premium
Non-Ownership Liability	\$ 1,000,000	\$ Included
Rented Auto Liability	\$ 1,000,000	\$ Included

(If no entry appears above, the information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

COVERAGE

If a Limit of Insurance and premium is shown in the Schedule, we will pay all sums an insured legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" which occurs during the policy period and results from the maintenance or use of a "rented auto" by you or your employees in the course of your business, and/or the use of any "non-owned auto" in your business by any person other than you.

We have the right and duty to defend any "suit" asking for these damages. However, we have no duty to defend "suits" for "bodily injury" or "property damage" not covered by this endorsement. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Limit of Insurance shown in the Schedule or in the declarations as applicable to this endorsement has been exhausted by payment of judgements or settlements.

EXCLUSIONS

With respect to the insurance provided by this endorsement:

1. The COVERAGE A (Section 1), exclusions a, b, d, and i and the Nuclear Liability Exclusion (Broad Form) apply to this endorsement. All other exclusions in Coverage A are deleted. The following additional exclusions apply to this endorsement only:

- a. Bodily injury:

- (1) To an employee of the insured arising out of and in the course of employment by the insured; or
- (2) To the spouse, child, parent, brother or sister of that employee as a consequence of (1) above

(Continued on Reverse)

This exclusion applies.

- (1) Whether the insured may be liable as an employer or in any other capacity, and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of injury.

This exclusion does not apply to:

- (1) Liability assumed by the insured under an "insured contract"; or
- (2) "Bodily injury" arising out of and in the course of domestic employment by the insured unless benefits for such injury are, in whole or in part, either payable or required to be provided under any workers' compensation law

b. "Property damage" to:

- (1) Property owned or being transported by, or rented or loaned to the insured, or
- (2) Property in the care, custody or control of the insured.

c. "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants.

- (1) That are, or that are contained in any property that is:
 - (a) Being transported or towed by, or handled for movement into, onto or from the covered "auto";
 - (b) Otherwise in the course of transit, or
 - (c) Being stored, disposed of, treated or processed in or upon the covered "auto";
- (2) Before the pollutants or any property in which the pollutants are contained are moved from the place where they are accepted by the insured for movement into or onto the covered "auto"; or
- (3) After the pollutants or any property in which the pollutants are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the insured

Any loss, cost or expense arising out of any demand or request that you test for, monitor, clean up, remove, contain, treat, detoxify or neutralize any pollutants. This includes demands, directives, complaints, "suits" or requests brought by any governmental entity or by any person or group of persons.

Pollutants means any solid, liquid, gaseous thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

Paragraph C.(1)(c) does not apply to fuels, lubricants, fluids, exhaust gases or other similar pollutants that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the "auto" or its parts, if:

- (1) The pollutants escape or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such pollutants, and
- (2) The "bodily injury" or "property damage" does not arise out of the operation of any "mobile equipment."

Paragraphs (2) and (3) of this exclusion do not apply if:

- (1) the pollutants or any property in which the pollutants are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (2) the discharge, dispersal, release or escape of the pollutants is caused directly by such upset, overturn or damage

2. WHO IS AN INSURED (SECTION II) is replaced by the following:

Each of the following is an insured under this insurance to the extent set forth below:

- a. You;
- b. Any other person using a "rented auto" with your permission;
- c. With respect to a "non-owned auto," any partner or executive officer of yours, but only while such "non-owned auto" is being used in your business;
- d. Any other person or organization, but only with respect to their liability because of acts or omissions of an insured under a , b , or c above.

None of the following is an insured:

- a. Any person engaged in the business of his or her employer with respect to "bodily injury" to any co-employee of such person injured in the course of employment,
- b. Any partner or executive officer with respect to any "auto" owned by such partner or officer or a member of his or her household;
- c. Any person while employed in or otherwise engaged in duties in connection with an "auto business," other than an "auto business" you operate,
- d. The owner or lessee (of whom you are a sublessee) of a "rented auto" or the owner of a "non-owned auto" or any agent or employee of any such owner or lessee;
- e. Any person or organization with respect to the conduct of any current or past partnership or joint venture that is not shown as an Insured in the Declarations

3. LIMITS OF INSURANCE (Section III) is replaced by the following:

Regardless of the number of "autos," insureds, premiums paid, claims made or vehicles involved in the "accident," the most we will pay for all damages resulting from any one "accident" is the applicable Limit of Insurance shown in the Schedule.

As: "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident."

4. Paragraph 4b of Section IV — COMMERCIAL GENERAL LIABILITY CONDITION is replaced by the following

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is covering the auto as an owned auto

When this insurance is excess, we will have no duty under this endorsement to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limit of Insurance shown in the Schedule.

5. The following additional definitions apply:

"Accident" includes continuous or repeated exposure to the same conditions resulting in "bodily injury" or "property damage."

"Auto business" means the business or occupation of selling, repairing, servicing, storing or parking "autos."

"Non-owned auto" means any "auto" you do not own, lease, hire or borrow which is used in connection with your business. However, if you are a partnership a "non-owned auto" does not include any auto owned by any partner.

"Rented auto" means any "auto" you lease, hire, or borrow. This does not include any "auto" you lease, hire, or borrow from any of your employees or members of their households, or from any partner or executive officer of yours.

**WORK PERFORMED BY SUBCONTRACTORS PREMIUM DETERMINATION**

Your Commercial General Liability Coverage automatically covers you for liability arising from operations performed on your behalf by subcontractors, subject to all applicable provisions of the contract.

In the event that you engage subcontractors to perform work for you, your premium will be adjusted to reflect this exposure. The premium you are charged for subcontracted work will vary depending on the nature of the work performed by the subcontractor(s), whether the subcontractors are insured for such operations and, if so, the General Liability limits carried by the subcontractors. Normally, a lower premium for such work will apply if we determine that the insurance carried by the subcontractor is likely to be "adequate" for the operations performed.

The following questions and answers are intended to assist you in understanding how we determine your premium for subcontracted work:

1. When Is The Insurance Carried By a Subcontractor Considered To Be "Adequate"?

Unless otherwise specified by us prior to inception of your policy, subcontractors will be considered to be "adequately insured" (for purposes of premium computation only) if the subcontractor, during the period of time that the work is performed for you, carries liability insurance with limits at least equal to the lesser of the following:

\$500,000 per occurrence
\$500,000 aggregate

OR

Your Commercial General Liability Limits

Satisfactory evidence of the insurance carried by the subcontractor (i.e. a certificate of insurance) showing limits and coverages afforded must be available at the time we audit your policy.

Premises/operations and completed operations coverages are handled separately, subject to the same rules. Therefore, your premium for the exposures of an individual subcontractor could be calculated using both methods described below, depending on whether the subcontractor is determined to have "adequate" insurance for each of the coverages.

2. What Is The Classification and The Premium Basis For Work Performed By Subcontractors With "Adequate" Insurance?

When the insurance carried by a subcontractor is determined to be "adequate," we will use the Independent contractor classifications which reflect your lower exposure. In addition, we will use the total cost of the subcontracted work as the premium basis for those operations performed by the subcontractor on your behalf.

3. What Is The Classification and The Premium Basis For Work Performed By Subcontractors Without "Adequate" Insurance?

The premium you are charged for work performed on your behalf by contractors without "adequate" insurance will be calculated using the classification which relates to the specific operations performed for you by such contractors. In addition, we will use the actual payroll of these employees as the premium basis.

**IMPORTANT INFORMATION CONCERNING YOUR
CHAPTER/CLUB LIABILITY INSURANCE PLAN
-- PLEASE READ THIS LETTER --**

Dear Chapter Leader:

Enclosed is your renewal policy for the Chapter/Club Liability Insurance Plan underwritten by the Insurance Company of North America (CIGNA). Please keep it in a safe place with your Chapter's other important documents.

We've also enclosed a premium notice for your Chapter/Club Liability Insurance Plan. Please return this premium notice along with your check made payable to Albert H. Wohlers & Co. We urge you to respond as quickly as possible.

We are certain that you will find the Chapter/Club Liability Insurance Plan provides you with comprehensive protection at a lower premium rate than you would be able to purchase on an individual basis. In fact ... this type of insurance is difficult, if not impossible, to secure economically in today's liability insurance marketplace.

Remember ... every time your Chapter holds a meeting or sponsors a program ... you leave yourself, other officials and the Chapter itself open to a potential lawsuit. As the sponsoring organization, you could be accused of negligence that results in bodily injury or property damage ... and be held liable for damages.

If you, your Chapter, or any officials are faced with a lawsuit, it could mean financial disaster. Even if the charges brought against you are false and groundless and you eventually win the case, your Chapter will still have to pay for legal defense ... which could be quite costly.

Please return the enclosed premium notice with your premium payment for the Chapter/Club Liability Insurance Plan. Thank you for giving us the opportunity to serve you and your Chapter's insurance needs.

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Malik", is written over a horizontal line.

James R. Malik
Executive
Vice President

P.S. Please mail your payment by the date shown on your premium notice. Any payment delay could cause a lapse in your coverage ... ACT TODAY!

CONDITIONS

1. Premium

All premiums for this policy shall be computed in accordance with the Company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the Named Insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the Company shall return to the Named Insured the unearned portion paid by the Named Insured.

The Named Insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the Company at the end of the policy period and at such times during the policy period as the Company may direct.

2. Inspection and Audit

The Company shall be permitted but not obligated to inspect the Named Insured's property and operations at any time. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the Named Insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

The Company may examine and audit the Named Insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws

When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The Insured agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit

(a) In the event of an occurrence, written notice containing particulars sufficient to identify the Insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the Insured to the Company or any of its authorized agents as soon as practicable.

(b) If claim is made or suit is brought against the Insured, the Insured shall immediately forward to the Company every demand, notice, summons or other process received by him or his representative.

(c) The Insured shall cooperate with the Company and, upon the Company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured because of injury or damage with respect to which insurance is afforded under this policy, and the Insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

TO: POLICY HOLDER

Please read your policy. There is an
ABSOLUTE POLLUTION EXCLUSION ENDORSEMENT
attached which you should review carefully.

CONDITIONS CONTINUED

5. Action Against Company

No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the Company as a party to any action against the Insured to determine the Insured's liability, nor shall the Company be impleaded by the Insured or his legal representative. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations hereunder.

6. Other Insurance

The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

(a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

(b) **Contribution by Limits.** If any of such other insurance does not provide for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation

In the event of any payment under this policy, the Company shall be subrogated to all the Insured's rights of recovery therefor against any person or organization and the Insured shall execute and deliver instruments and papers

and do whatever else is necessary to secure such rights. The Insured shall do nothing after loss to prejudice such rights.

8. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

9. Assignment

Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon; if, however, the Named Insured shall die, such insurance as is afforded by this policy shall apply (1) to the Named Insured's legal representative, as the Named Insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the Named Insured, to the person having proper temporary custody thereof, as Insured, but only until the appointment and qualification of the legal representative.

10. Three Year Policy

If this policy is issued for a period of three years any limit of the Company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

11. Cancellation

This policy may be cancelled by the Named Insured by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Named Insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Named Insured or by the Company shall be equivalent to mailing.

If the Named Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

12. Declarations

By acceptance of this policy, the Named Insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the Company or any of its agents relating to this insurance.

IN WITNESS WHEREOF, the INSURANCE COMPANY OF NORTH AMERICA has caused this policy to be signed by its President and a Secretary at Philadelphia, Pennsylvania, and countersigned on the Declarations page by a duly Authorized Agent of the Company.

Dear Insured:

By now you have probably received a notification from the Insurance Company of North America (INA) which indicated that they would be converting your Club Liability Insurance Plan (CLIP) policy. The notification that you received was required by state regulations to be sent to all insureds in the CLIP program with respect to the new industry form.

This is to advise you that the changeover to the new industry form will not officially take place until January 1, 1988. Your CLIP policy will renew on December 31, 1987. Therefore, you may disregard the notice you previously received. You will enjoy the same identical benefits for the upcoming year as you have in the past. The renewal notice and renewal policy for your December 31, 1987 renewal are enclosed.

We urge you to pay your premium as promptly as possible to avoid any lapse in coverage.

Sincerely,

Pamela Stonelake

(b) give notice thereof (i) to the company or any of its authorized agents within 20 days following the date the loss occurs, provided that failure to give such notice within the time specified shall not invalidate any claim made by the named insured if it shall be shown not to have been reasonably possible to give such notice within the prescribed time and that such notice was given as soon as reasonably possible, and also (ii) in the event of theft or arson, promptly to the police;

3. The Condition entitled "Changes" is amended to read

Changes. The terms of this policy shall not be changed, except by endorsement issued to form a part of this policy

Knowledge by an agent of the company of any fact which breaches a condition of the policy shall be knowledge of the company if such fact is known to the agent at the time the policy is issued or an application made or thereafter becomes known to the agent in the course of his dealings as an agent with the named insured. Any fact which breaches a condition of the policy and is known to the agent prior to loss shall not void the policy or defeat a recovery thereon in the event of loss

4. The following paragraph is added to the Condition entitled "Declarations"

No misrepresentation or breach of affirmative warranty made by the named insured or in his behalf in the negotiation of this policy affects the company's obligation under this policy unless the company relies on it and it is either material or made with intent to deceive, or unless the facts misrepresented or falsely warranted contribute to the loss. No failure of a condition prior to the loss and no breach of a promissory warranty affects the company's obligation under this policy unless it exists at the time of the loss and either increases the risk at the time of loss or contributes to the loss. The provisions of this condition do not apply to failure to render payment of premium

5. With respect only to such insurance as is afforded by the policy for bodily injury liability or property damage liability arising out of the ownership, maintenance or use of motor vehicles:

(a) The company shall not cancel nor refuse to renew this policy solely because of the age, sex, residence, race, color, creed, religion, national origin, ancestry, marital status or occupation of any person who is an insured under this policy

6. If an act on for bodily injury or property damage is brought in Wisconsin, the Condition entitled "Action Against Company" is amended to read

Action Against Company. No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance by the insured with all of the terms of this policy.

Any person or organization or the legal representative thereof who has secured a judgment against the insured shall be entitled to recover under this policy to the extent of the insurance afforded by this policy. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder

7. The following Conditions are added:

A. Cancellation by Company Limited

After this policy has been in effect for sixty days or, if this policy is a renewal, effective immediately, the company shall not exercise its right to cancel the insurance unless the named insured fails to discharge when due any of his obligations in connection with the payment of premium for this policy or any installment thereof, whether payable directly to the company or its agent or indirectly under any premium finance plan or extension of credit

This agreement shall apply to each successive policy period for which the company consents to renew or continue this policy but nothing herein shall obligate the company to renew or continue this policy beyond the expiration of any annual period commencing with its original effective date, provided that, if this policy is written without a fixed expiration date or for a policy period longer than one year, this policy may be terminated by the company effective on the expiration of any such annual period by mailing to the insured named in Item 1 of the declarations at the address shown in this policy, written notice of such termination not less than thirty days prior to the expiration of such annual period. The mailing of notice as aforesaid shall be sufficient proof of notice. Delivery of such written notice by the company shall be equivalent to mailing.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

SCHEDULE

Insurance is provided only with respect to those coverages for which a specific premium charge is shown.

Coverage	Limit of Insurance	Premium
Non-Ownership Liability	\$ 1,000,000	\$ Included
Rented Auto Liability	\$ 1,000,000	\$ Included

(If no entry appears above, the information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

COVERAGE

If a Limit of Insurance and premium is shown in the Schedule, we will pay all sums an insured legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" which occurs during the policy period and results from: the maintenance or use of a "rented auto" by you or your employees in the course of your business; and/or the use of any "non-owned auto" in your business by any person other than you.

We have the right and duty to defend any "suit" asking for these damages. However, we have no duty to defend "suits" for "bodily injury" or "property damage" not covered by this endorsement. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Limit of Insurance shown in the Schedule or in the declarations as applicable to this endorsement has been exhausted by payment of judgements or settlements.

EXCLUSIONS

With respect to the insurance provided by this endorsement:

1. The COVERAGE A (Section 1) exclusions a, b, d, and i and the Nuclear Liability Exclusion (Broad Form) apply to this endorsement. All other exclusions in Coverage A are deleted. The following additional exclusions apply to this endorsement only:

- a. Bodily injury:

- (1) To an employee of the insured arising out of and in the course of employment by the insured; or
- (2) To the spouse, child, parent, brother or sister of that employee as a consequence of (1) above

(Continued on Reverse)

—
this exclusion applies:
—

- (1) Whether the insured may be liable as an employer, owner, operator, lessee, and
- (2) To any obligation to share damages with or repay to any person who must pay damages because of injury.

This exclusion does not apply to:

- (1) Liability assumed by the insured under an "insured contract"; or
 - (2) "Bodily injury" arising out of and in the course of domestic employment by the insured unless benefits for such injury are, in whole or in part, either payable or required to be provided under any workers' compensation law
- b. "Property damage" to:
- (1) Property owned or being transported by, or rented or loaned to the insured; or
 - (2) Property in the care, custody or control of the insured.
- c. "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants:
- (1) That are, or that are contained in any property that is:
 - (a) Being transported or towed by, or handled for movement into, onto or from the covered "auto";
 - (b) Otherwise in the course of transit; or
 - (c) Being stored, disposed of, treated or processed in or upon the covered "auto";
 - (2) Before the pollutants or any property in which the pollutants are contained are moved from the place where they are accepted by the insured for movement into or onto the covered "auto"; or
 - (3) After the pollutants or any property in which the pollutants are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the insured.

Any loss, cost or expense arising out of any demand or request that you test for, monitor, clean up, remove, contain, treat, detoxify or neutralize any pollutants. This includes demands, directives, complaints, "suits" or requests brought by any governmental entity or by any person or group of persons.

Pollutants means any solid, liquid, gaseous, thermal irritant or contaminant, including smoke, vapor, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconstituted or reclaimed.

Paragraph C.(1)(c) does not apply to fuels, lubricants, fluids, exhaust gases or other similar pollutants that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the "auto" or its parts, if:

- (1) The pollutants escape or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such pollutants; and
- (2) The "bodily injury" or "property damage" does not arise out of the operation of any "mobile equipment."

... of this exclusion do not apply if:

... or any property in which the pollutants are contained are upset, overturned or damaged
of the maintenance or use of a covered "auto" and

... large, dispersal, release or escape of the pollutants is caused directly by such upset, overturn
ge.

2. WHO IS AN INSURED (SECTION II) is replaced by the following:

Each of the following is an insured under this insurance to the extent set forth below:

- a. You,
- b. Any other person using a "rented auto" with your permission,
- c. With respect to a "non-owned auto," any partner or executive officer of yours, but only while such "non-owned auto" is being used in your business;
- d. Any other person or organization, but only with respect to their liability because of acts or omissions of an insured under a., b., or c. above.

None of the following is an insured:

- a. Any person engaged in the business of his or her employer with respect to "bodily injury" to any co-employee of such person injured in the course of employment;
- b. Any partner or executive officer with respect to any "auto" owned by such partner or officer or a member of his or her household;
- c. Any person while employed in or otherwise engaged in duties in connection with an "auto business," other than an "auto business" you operate;
- d. The owner or lessee (of whom you are a sublessee) of a "rented auto" or the owner of a "non-owned auto" or any agent or employee of any such owner or lessee;
- e. Any person or organization with respect to the conduct of any current or past partnership or joint venture that is not shown as an insured in the Declarations.

3. LIMITS OF INSURANCE (Section III) is replaced by the following.

Regardless of the number of "autos," insureds, premiums paid, claims made or vehicles involved in the "accident," the most we will pay for all damages resulting from any one "accident" is the applicable Limit of Insurance shown in the Schedule.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident."

4. Paragraph 4b of Section IV — COMMERCIAL GENERAL LIABILITY CONDITION is replaced by the following:

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is covering the auto as an owned auto.

When this insurance is excess, we will have no duty under this endorsement to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance, and

(2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limit of Insurance shown in the Schedule.

5. The following additional definitions apply:

"Accident" includes continuous or repeated exposure to the same conditions resulting in "bodily injury" or "property damage."

"Auto business" means the business or occupation of selling, repairing, servicing, storing or parking "autos."

"Non-owned auto" means any "auto" you do not own, lease, hire or borrow which is used in connection with your business. However, if you are a partnership a "non-owned auto" does not include any auto owned by any partner.

"Rented auto" means any "auto" you lease, hire, or borrow. This does not include any "auto" you lease, hire, or borrow from any of your employees or members of their households, or from any partner or executive officer of yours.

THE FOLLOWING CHANGES TO POLICY SHOULD BE READ CAREFULLY

INSURANCE CHANGES - AMENDMENT OF POLICY CONDITIONS

These changes modify insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
LIQUOR LIABILITY COVERAGE PART
POLLUTION LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

1. The following is added to CANCELLATION (Common Policy Conditions):

If this Coverage Part has been in effect for 60 days or is a renewal, we will not cancel this Coverage Part except for nonpayment of premium. This agreement will apply to each successive policy period for which we consent to renew or continue this Coverage Part. We are not obligated to renew or continue this Coverage Part beyond the expiration date of any annual period beginning with its original effective date, provided that, if this Coverage Part is written:

- a. Without a fixed expiration date; or
- b. For a policy period longer than one year

we may terminate this Coverage Part effective on the expiration of any such annual period by mailing to the first Named Insured at the address shown in this Coverage Part, written notice of such termination not less than 30 days prior to the expiration of such annual period. If notice is mailed, proof of mailing will be sufficient proof of notice.

Even if we have not complied with the above provisions, this Coverage Part will end on the effective date of any other insurance policy issued as a replacement for any insurance afforded by this Coverage Part, with respect to any such insurance to which both such policies apply.

2. The following is added to CHANGES (Common Policy Conditions):

If one of our agents knows of a fact that breaches a condition of this Coverage Part, we will be considered to have knowledge of this same fact if:

- a. The agent knows of this fact at the time the Coverage Part is issued or an application is made; or
- b. The agent later learns of this fact in the course of his dealings as an agent with you.

Any fact that breaches a condition of this Coverage Part and is known to the agent prior to loss shall not void the Coverage Part or prevent a recovery in the event of loss.

3. If a "suit" is brought in Wisconsin, Condition 3 LEGAL ACTION AGAINST US (Section IV) is replaced by the following:

3. LEGAL ACTION AGAINST US

A person or organization may sue us directly to recover damages allegedly caused by you or join us as a defendant in a suit brought against you for damages. But we will not be liable for damages that are in excess of the Limit of Insurance.

4. The following is added to Condition 6. REPRESENTATIONS (Section IV):

No misrepresentation or breach of affirmative warranty made by you or on your behalf in the negotiation of this Coverage Part affects our obligation under this Coverage Part unless:

- a. We rely on it and it is either material or made with intent to deceive; or
- b. The facts misrepresented or falsely warranted contribute to the loss.

No failure of a condition before the loss and no breach of a promissory warranty affects our obligation under this Coverage Part unless such failure or breach:

- a. Exists at the time of the loss, and
- b. Either increases the risk at the time of the loss or contributes to the loss.

The provisions of this condition do not apply to nonpayment of premium.

5. Condition 8 TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US (Section IV) is replaced by the following:

In the event of any payment under this Coverage Part, we will be entitled to the insured's rights of recovery against any person or organization and the insured will do whatever is necessary to secure such rights. We will be entitled to a recovery only after the insured has been fully compensated for damages.

OPTIONAL WHEN WE DO NOT RENEW Condition
(Section IV) is deleted

The following Condition is added:

WHEN WE DO NOT RENEW

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date. Even if we do not comply with these terms, this Coverage Part will terminate:

1. On the expiration date, if:

- a. The first Named Insured has notified us that he does not want to renew this Coverage Part; or

the premium due to

not more than 45

days before expiration

Coverage Part will

if the first Named Insured has not paid the

premium due on such expiration date.

2. If the first Named Insured of any other insurance

policy is not in agreement for any insurance

SECTION III — LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits."
2. The General Aggregate Limit is the most we will pay for the sum of:

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of injury and damage included in the "products-completed operations hazard."

5. Subject to 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage A; and
 - b. Medical expenses under Coverage C because of all "bodily injury" and "property damage" arising out of any one "occurrence."
6. Subject to 5. above, the Fire Damage Limit is the most we will pay under Coverage A for damages because of "property damage" to premises rented to you arising out of any one fire.
7. Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

The limits of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy.

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Claim Or Suit.

a. You must see to it that we are notified promptly of an "occurrence" which may result in a claim. Notice should include:

- (1) How, when and where the "occurrence" took place; and
- (2) The names and addresses of any injured persons and witnesses.

b. If a claim is made or "suit" is brought against any insured, you must see to it that we receive prompt written notice of the claim or "suit."

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit;"
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement or defense of the claim or "suit;" and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insureds will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us.

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance.

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

- (1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work;"
- (2) That is Fire insurance for premises rented to you; or
- (3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Coverage A (Section I).

When this insurance is excess, we will have no duty under Coverage A or B to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit.

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations.

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us, and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us.

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

An "insured contract" does not include that part of any contract or agreement:

- a. That indemnifies an architect, engineer or surveyor for injury or damage arising out of:
 - (1) Preparing, approving or failing to prepare or approve maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or

 - (3) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.
- Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.
- c. This hazard does not include "bodily injury" or "property damage" arising out of:
- (1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle created by the "loading or unloading" of it;
 - (2) The existence of tools, uninstalled equipment or abandoned or unused materials;
 - (3) Products or operations for which the classification in this Coverage Part or in our manual of rules includes products or completed operations.

Dear Insured:

By now you have probably received a notification from the Insurance Company of North America (INA) advising you that due to a change in the industry form for liability coverage, it will be necessary to non-renew your existing Chapter Liability Insurance Plan (CLIP) policy, and convert it to this new commercial general liability form.

As INA stated, and as a result of the industry crisis of the past few years, the insurance companies have developed a new liability insurance form, which will serve as the basis of all liability coverage for all insurance companies henceforth. The change will become effective with all policies renewing January 1, 1988 and thereafter. Enclosed you will find an information sheet which outlines the areas in which coverage is broadened, and also those areas where coverage has been modified, or, in a few instances, reduced. The majority of this information should not affect the overall protection provided to your chapters or clubs. One important area for you to be made aware of is that from now on there will be an annual aggregate limit of liability. In other words, in any policy period the company will be required to pay only the aggregate limit of liability shown on your policy, regardless of the number of claims.

In the past, you had been provided with \$1,000,000 of coverage each occurrence during the policy period. Beginning with your renewal, you will continue to have \$1,000,000 per occurrence coverage; however, the overall annual policy aggregate will be limited to \$2,000,000. We have negotiated with INA to extend the annual aggregate to \$2,000,000 to provide you with the most coverage available. This new industry form with the new aggregate limit should not affect the overall protection provided to your chapters and clubs. In addition, your overall limit of liability should also fit the needs of organizations requiring evidence of this coverage.

Enclosed you will find your premium notice and renewal policy for the renewal of your policy, which is December 31, 1988. We urge you to pay your premium promptly in order to avoid any lapse in coverage. Should you have any questions, please feel free to contact our office.

Sincerely,

Linda Kolbus

CHAPTER LIABILITY INSURANCE PLAN (CLIP)

OUTLINE OF COVERAGE CHANGES

EFFECTIVE JANUARY 1, 1988

The insurance industry has adopted a new commercial general liability coverage form which will be incorporated into your CLIP policy effective January 1, 1988. The following outlines those areas where coverage has been broadened, and those areas where coverage has been reduced. The overall change in the form should have very little impact on the operations or protection afforded to your chapters or clubs. Please read carefully.

BROADENING OF COVERAGE

1. Liquor Liability Coverage

- a. Statutory liability of an owner or lessor who leases premises to someone in the liquor business, but who is not themselves engaged in the liquor business, is now covered.
- b. Liquor law liability assumed by any insured who is not engaged in the liquor business is now covered.

2. Pollution Liability Coverage

Although there is an almost total exclusion of pollution liability, coverage with respect to the following situations is provided:

Non-sudden or gradual emissions of pollutants (other than waste):

- a. Arising out of the products/completed operations hazard;
- b. Occurring away from insured premises in connection with ongoing operations if:
 - (1) the pollutants were not brought on to the site in connection with operations, and
 - (2) operations do not involve the clean-up, containment, etc. of pollutants.

3. **Non-owned Watercraft**
Watercraft under 26 feet in length owned by employees and other insureds, except the named insured, are now covered.
4. **Prejudgement Interest**
Prejudgement interest awarded against the insured on that part of any judgement we pay will also be covered. But prejudgement interest will not be paid for the period after an offer to pay the applicable limit of insurance is made.
5. **Mobile Equipment Coverage**
The use or operations of snowmobiles is no longer specifically excluded.
6. **Property Damage Liability Coverage**
The exclusion of property in the insured's care, custody, or control no longer applies to real property.
7. **Medical Payments Coverage**
The minimum per person limit is increased from \$1,000 to \$5,000.
8. **Puerto Rico is now defined specifically as being within the Coverage Territory.**
9. **Policy Condition - Cancellation and Non-renewal 30 days advance notice to the insured if the company does not renew the policy, is now covered.**

REDUCTIONS OF COVERAGE

1. **Contractual Liability Coverage**
 - a. Contractual liability is restricted to tort liability assumed from another person or organization.
 - b. Contractual coverage for liability assumed in connection with the ownership, maintenance or use of any auto owned or operated by or rented or loaned to any insured is no longer afforded.
2. **Pollution Liability Coverage**
Coverage with respect to the following situations is no longer afforded:

Emissions of pollutants

- a. At or from premises;
 - b. At or from a site used for the handling, storage, disposal, processing or treatment of waste;
 - c. If the insured handles, transports, etc. the pollutants as waste;
 - d. If the pollutants are brought to a job site in connection with the operations being performed at that site; or
 - e. If the operations involve the clean-up, containment, etc. of the pollutants.
3. Mobile Equipment Coverage
The road hazard is no longer covered for the following types of self-propelled vehicles:
- a. Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and
 - b. Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.
4. Non-Owned Watercraft
Non-Owned watercraft coverage is restricted to watercraft less than 26 feet in overall length.
5. Fire Damage Legal Liability
Coverage that had been provided for Fire and Explosion Damage Legal Liability is reduced to Legal Liability Coverage for Fire only.
6. Property Damage Liability Coverage
- a. Property in care, custody or control
Property in your custody is clarified to include property in your care, custody or control.
- The exception for elevators with respect to property in the care, custody or control of the insured has been eliminated so that property on elevators will be treated the same as other property in the care, custody or control of the insured.

- b. Alienated Premises
Property damage to premises you sell, give away or abandon is no longer covered, unless the premises are "your work" and were never occupied, rented, or held for rental by you.

7. Medical Payments Coverage

- a. Medical payments are now subject to the newly established policy General Aggregate Limit as well as the Occurrence Limit.
- b. All insureds have been excluded from the medical payments coverage rather than just the named insured, partners and employees as in the old policy.
- c. Medical payments coverage for employees of non-residents has been eliminated.

8. First Aid Coverage

First aid coverage has been built into the Medical Payments coverage, and will be subject to the applicable policy limits.

9. Who Is An Insured

- a. Automatic Coverage for Newly Acquired Organizations
 - (1) Coverage is no longer afforded automatically for newly formed partnerships.
- b. Coverage for liability arising out of the conduct of past partnership or joint ventures which are not shown as named insureds in the Declarations has been eliminated.

10. Limits Of Insurance

- a. The establishment of a General Aggregate Limit presents a restriction on coverage for losses which were not previously subject to the aggregate limit concept.
- b. Fire Damage Legal Liability Coverage
Payment for Fire Damage Legal Liability is now subject to the applicable "General Aggregate" limit.

11. Commercial General Liability Conditions

Within the "Other Insurance Condition" the Excess Insurance provision now indicates that the limited coverage for aircraft, watercraft and autos is on an excess basis.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM**SCHEDULE**

Insurance is provided only with respect to those coverages for which a specific premium charge is shown.

Coverage	Limit of Insurance	Premium
Non-Ownership Liability	\$ 1,000,000	\$ Included
Rented Auto Liability	\$ 1,000,000	\$ Included

(If no entry appears above, the information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

COVERAGE

If a Limit of Insurance and premium is shown in the Schedule, we will pay all sums an insured legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, caused by an "accident" which occurs during the policy period and results from: the maintenance or use of a "rented auto" by you or your employees in the course of your business; and/or the use of any "non-owned auto" in your business by any person other than you.

We have the right and duty to defend any "suit" asking for these damages. However, we have no duty to defend "suits" for "bodily injury" or "property damage" not covered by this endorsement. We may investigate and settle any claim or "suit" as we consider appropriate. Our duty to defend or settle ends when the Limit of Insurance shown in the Schedule or in the declarations as applicable to this endorsement has been exhausted by payment of judgements or settlements.

EXCLUSIONS

With respect to the insurance provided by this endorsement:

1. The COVERAGE A (Section 1), exclusions a, b, d, and i and the Nuclear Liability Exclusion (Broad Form) apply to this endorsement. All other exclusions in Coverage A are deleted. The following additional exclusions apply to this endorsement only:

- a. Bodily injury:

- (1) To an employee of the insured arising out of and in the course of employment by the insured; or
- (2) To the spouse, child, parent, brother or sister of that employee as a consequence of (1) above.

(Continued on Reverse)

This exclusion applies:

- (1) Whether the insured may be liable as an employer or in any other capacity, and
- (2) To any obligation to share damages with or repay someone else who must pay damages because of injury.

This exclusion does not apply to:

- (1) Liability assumed by the insured under an "insured contract"; or
- (2) "Bodily injury" arising out of and in the course of domestic employment by the insured unless benefits for such injury are, in whole or in part, either payable or required to be provided under any workers' compensation law.

b. "Property damage" to:

- (1) Property owned or being transported by, or rented or loaned to the insured; or
- (2) Property in the care, custody or control of the insured.

c. "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants:

- (1) That are, or that are contained in any property that is:
 - (a) Being transported or towed by, or handled for movement into, onto or from the covered "auto";
 - (b) Otherwise in the course of transit; or
 - (c) Being stored, disposed of, treated or processed in or upon the covered "auto";
- (2) Before the pollutants or any property in which the pollutants are contained are moved from the place where they are accepted by the insured for movement into or onto the covered "auto"; or
- (3) After the pollutants or any property in which the pollutants are contained are moved from the covered "auto" to the place where they are finally delivered, disposed of or abandoned by the insured

Any loss, cost or expense arising out of any demand or request that you test for, monitor, clean up, remove, contain, treat, detoxify or neutralize any pollutants. This includes demands, directives, complaints, "suits" or requests brought by any governmental entity or by any person or group of persons.

Pollutants means any solid, liquid, gaseous thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

Paragraph C.(1)(c) does not apply to fuels, lubricants, fluids, exhaust gases or other similar pollutants that are needed for or result from the normal electrical, hydraulic or mechanical functioning of the "auto" or its parts, if:

- (1) The pollutants escape or are discharged, dispersed or released directly from an "auto" part designed by its manufacturer to hold, store, receive or dispose of such pollutants; and
- (2) The "bodily injury" or "property damage" does not arise out of the operation of any "mobile equipment."

Paragraphs (2) and (3) of this exclusion do not apply if:

- (1) the pollutants or any property in which the pollutants are contained are upset, overturned or damaged as a result of the maintenance or use of a covered "auto"; and
- (2) the discharge, dispersal, release or escape of the pollutants is caused directly by such upset, overturn or damage.

2. WHO IS AN INSURED (SECTION II) is replaced by the following:

Each of the following is an insured under this insurance to the extent set forth below:

- a. You;
- b. Any other person using a "rented auto" with your permission;
- c. With respect to a "non-owned auto," any partner or executive officer of yours, but only while such "non-owned auto" is being used in your business;
- d. Any other person or organization, but only with respect to their liability because of acts or omissions of an insured under a, b., or c. above.

None of the following is an insured:

- a. Any person engaged in the business of his or her employer with respect to "bodily injury" to any co-employee of such person injured in the course of employment;
- b. Any partner or executive officer with respect to any "auto" owned by such partner or officer or a member of his or her household;
- c. Any person while employed in or otherwise engaged in duties in connection with an "auto business," other than an "auto business" you operate;
- d. The owner or lessee (of whom you are a sublessee) of a "rented auto" or the owner of a "non-owned auto" or any agent or employee of any such owner or lessee;
- e. Any person or organization with respect to the conduct of any current or past partnership or joint venture that is not shown as an Insured in the Declarations.

3. LIMITS OF INSURANCE (Section III) is replaced by the following:

Regardless of the number of "autos," insureds, premiums paid, claims made or vehicles involved in the "accident," the most we will pay for all damages resulting from any one "accident" is the applicable Limit of Insurance shown in the Schedule.

All "bodily injury" and "property damage" resulting from continuous or repeated exposure to substantially the same conditions will be considered as resulting from one "accident."

4. Paragraph 4b of Section IV — COMMERCIAL GENERAL LIABILITY CONDITION is replaced by the following:

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is covering the auto as an owned auto.

When this insurance is excess, we will have no duty under this endorsement to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance, and

(2) The total of all deductible and self-insured amounts under all that other insurance

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limit of Insurance shown in the Schedule.

5. The following additional definitions apply:

"Accident" includes continuous or repeated exposure to the same conditions resulting in "bodily injury" or "property damage."

"Auto business" means the business or occupation of selling, repairing, servicing, storing or parking "autos."

"Non-owned auto" means any "auto" you do not own, lease, hire or borrow which is used in connection with your business. However, if you are a partnership a "non owned auto" does not include any auto owned by any partner.

"Rented auto" means any "auto" you lease, hire, or borrow. This does not include any "auto" you lease, hire, or borrow from any of your employees or members of their households, or from any partner or executive officer of yours

- 5. All costs taxed against the insured in the "suit."
- 6. Pre-judgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any pre-judgment interest based on that period of time after the offer.
- 7. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

SECTION II — WHO IS AN INSURED

1. If you are designated in the Declarations as:

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
- b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
- c. An organization other than a partnership or joint venture; you are an insured. Your executive officers and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

2. Each of the following is also an insured:

- a. Your employees, other than your executive officers, but only for acts within the scope of their employment by you. However, none of these employees is an insured for:

- (1) "Bodily injury" or "personal injury" to you or to a co-employee while in the course of his or her employment; or
 - (2) "Bodily injury" or "personal injury" arising out of his or her providing or failing to provide professional health care services; or
 - (3) "Property damage" to property owned or occupied by or rented or loaned to that employee, any of your other employees, or any of your partners or members (if you are a partnership or joint venture).
- b. Any person (other than your employee), or any organization while acting as your real estate manager.
 - c. Any person or organization having proper temporary custody of your property if you die, but only:
 - (1) With respect to liability arising out of the maintenance or use of that property; and
 - (2) Until your legal representative has been appointed.
 - d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.
3. With respect to "mobile equipment" registered in your name under any motor vehicle registration law, any person is an insured while driving such equipment along a public highway with your permission. Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the equipment, and only if no other insurance of any kind is available to that person or organization for this liability. However, no person or organization is an insured with respect to:
 - a. "Bodily injury" to a co-employee of the person driving the equipment; or
 - b. "Property damage" to property owned by, rented to, in the charge of or occupied by you or the employer of any person who is an insured under this provision.
 4. Any organization you newly acquire or form, other than a partnership or joint venture, and over which you maintain ownership or majority interest, will be deemed to be a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;

- b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
- c. Coverage B does not apply to "personal injury" or "advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership or joint venture that is not shown as a Named Insured in the Declarations.

SECTION III — LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits."
2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage C; and
 - b. Damages under Coverage A and Coverage B, except damages because of injury and damage included in the "products-completed operations hazard."
3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of injury and damage included in the "products-completed operations hazard."
4. Subject to 2. above, the Personal and Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal injury" and all "advertising injury" sustained by any one person or organization.
5. Subject to 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage A; and
 - b. Medical expenses under Coverage C because of all "bodily injury" and "property damage" arising out of any one "occurrence."
6. Subject to 5. above, the Fire Damage Limit is the most we will pay under Coverage A for damages because of "property damage" to premises rented to you arising out of any one fire.
7. Subject to 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

The limits of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV — COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy.

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Claim Or Suit.

a. You must see to it that we are notified promptly of an "occurrence" which may result in a claim. Notice should include:

- (1) How, when and where the "occurrence" took place; and
- (2) The names and addresses of any injured persons and witnesses.

b. If a claim is made or "suit" is brought against any insured, you must see to it that we receive prompt written notice of the claim or "suit."

c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit;"
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation, settlement or defense of the claim or "suit;" and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. No insureds will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us.

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured obtained after an actual trial; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance.

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in c. below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

- (1) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work;"
- (2) That is Fire insurance for premises rented to you; or
- (3) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Coverage A (Section I).

When this insurance is excess, we will have no duty under Coverage A or B to defend any claim or "suit" that any other insurer has a duty to defend. If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit.

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period. Audit premiums are due and payable on notice to the first Named Insured. If the sum of the advance and audit premiums paid for the policy term is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations.

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds.

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us.

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

"Operations" include materials, parts or equipment furnished in connection therewith. Operations shall be deemed completed at the earliest of the following times:

- (1) when all operations to be performed by or on behalf of the Named Insured under the contract have been completed,

CONDITIONS

1. Premium

All premiums for this policy shall be computed in accordance with the Company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the Named Insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the Company shall return to the Named Insured the unearned portion paid by the Named Insured.

The Named Insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the Company at the end of the policy period and at such times during the policy period as the Company may direct.

2. Inspection and Audit

The Company shall be permitted but not obligated to inspect the Named Insured's property and operations at any time. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the Named Insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

The Company may examine and audit the Named Insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws

When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The Insured agrees to reimburse the Company for any payment made by the Company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit

(a) In the event of an occurrence, written notice containing particulars sufficient to identify the Insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the Insured to the Company or any of its authorized agents as soon as practicable.

(b) If claim is made or suit is brought against the Insured, the Insured shall immediately forward to the Company every demand, notice, summons or other process received by him or his representative.

(c) The Insured shall cooperate with the Company and, upon the Company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the Insured because of injury or damage with respect to which insurance is afforded under this policy, and the Insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The Insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

CONDITIONS CONTINUED

5. Action Against Company

No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the Insured's obligation to pay shall have been finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the Company as a party to any action against the Insured to determine the Insured's liability, nor shall the Company be impleaded by the Insured or his legal representative. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations hereunder.

6. Other Insurance

The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the Insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the Company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the Company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

(a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

(b) **Contribution by Limits.** If any of such other insurance does not provide for contribution by equal shares, the Company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation

In the event of any payment under this policy, the Company shall be subrogated to all the Insured's rights of recovery therefor against any person or organization and the Insured shall execute and deliver instruments and papers

and do whatever else is necessary to secure such rights. The Insured shall do nothing after loss to prejudice such rights.

8. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

9. Assignment

Assignment of interest under this policy shall not bind the Company until its consent is endorsed hereon; if, however, the Named Insured shall die, such insurance as is afforded by this policy shall apply (1) to the Named Insured's legal representative, as the Named Insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the Named Insured, to the person having proper temporary custody thereof, as Insured, but only until the appointment and qualification of the legal representative.

10. Three Year Policy

If this policy is issued for a period of three years any limit of the Company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

11. Cancellation

This policy may be cancelled by the Named Insured by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Named Insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Named Insured or by the Company shall be equivalent to mailing.

If the Named Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

12. Declarations

By acceptance of this policy, the Named Insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the Company or any of its agents relating to this insurance.

IN WITNESS WHEREOF, the INSURANCE COMPANY OF NORTH AMERICA has caused this policy to be signed by its President and a Secretary at Philadelphia, Pennsylvania, and countersigned on the Declarations page by a duly Authorized Agent of the Company.

AMENDMENT OF POLICY PROVISIONS FOR GENERAL-AUTOMOBILE LIABILITY INSURANCE—WISCONSIN

When this policy is issued or delivered in the State of Wisconsin it is agreed that:

1. Paragraph (a) of the Condition entitled "Insured's Duties in the Event of Occurrence, Claim or Suit" is amended to read:

Insured's Duties in the Event of Occurrence, Claim or Suit

(a) In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the insured to the company or any of its authorized agents as soon as reasonably possible.

2. Paragraphs (b) and (c) of the Automobile Physical Damage Insurance Condition entitled "Named Insured's Duties in Event of Loss" are amended to read:

(b) give notice thereof (i) to the company or any of its authorized agents within 20 days following the date the loss occurs, provided that failure to give such notice within the time specified shall not invalidate any claim made by the named insured, if it shall be shown not to have been reasonably possible to give such notice within the prescribed time and that such notice was given as soon as reasonably possible, and also (ii) in the event of theft or larceny, promptly to the police;

(c) file with the company, within 91 days after loss, his sworn proof of loss in such form and including such information as the company may reasonably require and, upon the company's request, shall exhibit the damaged property and submit to examination under oath; however, if proof of loss is filed as soon as possible and within one year after the time limit, failure to file proof of loss within the time limit shall not invalidate or reduce any claim by the named insured unless the company is prejudiced thereby and it was reasonably possible to meet the time limit.

3. The Condition entitled "Changes" is amended to read

Changes. The terms of this policy shall not be changed, except by endorsement issued to form a part of this policy.

Knowledge by an agent of the company of any fact which breaches a condition of the policy shall be knowledge of the company if such fact is known to the agent at the time the policy is issued or an application made or thereafter becomes known to the agent in the course of his dealings as an agent with the named insured. Any fact which breaches a condition of the policy and is known to the agent prior to loss shall not void the policy or defeat a recovery thereon in the event of loss.

4. The following paragraph is added to the Condition entitled "Declarations":

No misrepresentation or breach of affirmative warranty made by the named insured or in his behalf in the negotiation of this policy affects the company's obligation under this policy unless the company relies on it and it is either material or made with intent to deceive, or unless the facts misrepresented or falsely warranted contribute to the loss. No failure of a condition prior to the loss and no breach of a promissory warranty affects the company's obligation under this policy unless it exists at the time of the loss and either increases the risk at the time of loss or contributes to the loss. The provisions of this condition do not apply to failure to tender payment of premium.

5. With respect only to such insurance as is afforded by the policy for bodily injury liability or property damage liability arising out of the ownership, maintenance or use of motor vehicles:

(a) The company shall not cancel nor refuse to renew this policy solely because of the age, sex, residence, race, color, creed, religion, national origin, ancestry, marital status or occupation of any person who is an insured under this policy.

(b) If the named insured is an individual, the "Persons Insured" provision is amended to include as an insured any person using a motor vehicle owned by the named insured which is designed to transport or draw persons or property on the public highways with the permission of an adult member of the named insured's household other than a chauffeur or domestic servant, and any other person or organization but only with respect to his or its liability because of acts or omissions of such an insured.

6. If an action for bodily injury or property damage is brought in Wisconsin, the Condition entitled "Action Against Company" is amended to read:

Action Against Company. No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance by the insured with all of the terms of this policy.

Any person or organization or the legal representative thereof who has secured a judgment against the insured shall be entitled to recover under this policy to the extent of the insurance afforded by this policy. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder.

7. The following Conditions are added:

A. Cancellation by Company Limited

After this policy has been in effect for sixty days or, if this policy is a renewal, effective immediately, the company shall not exercise its right to cancel the insurance unless the named insured fails to discharge when due any of his obligations in connection with the payment of premium for this policy or any installment thereof, whether payable directly to the company or its agent or indirectly under any premium finance plan or extension of credit.

This agreement shall apply to each successive policy period for which the company consents to renew or continue this policy but nothing herein shall obligate the company to renew or continue this policy beyond the expiration of any annual period commencing with its original effective date, provided that, if this policy is written without a fixed expiration date or for a policy period longer than one year this policy may be terminated by the company effective on the expiration of any such annual period by mailing to the insured named in Item 1 of the declarations at the address shown in this policy, written notice of such termination not less than thirty days prior to the expiration of such annual period. The mailing of notice as aforesaid shall be sufficient proof of notice. Delivery of such written notice by the company shall be equivalent to mailing.

Notwithstanding the failure of the company to comply with the foregoing provisions of this Condition, this policy shall terminate on the effective date of any other insurance policy issued as a replacement for any insurance afforded by this policy with respect to any such insurance to which both such policies apply.

LIABILITY INSURANCE—WISCONSIN (Continued)

(Ed. 08 77)

B. Renewal

If the company elects not to renew this policy, it shall mail to the insured named in item 1 of the declarations at the address shown in this policy, written notice of such non-renewal not less than thirty days prior to the expiration date.

Notwithstanding the failure of the company to comply with the foregoing provision, this policy shall terminate

1. on such expiration date, if

- (a) the named insured has notified the company or its agent that he does not wish this policy to be renewed, or

- (b) if the company has mailed notice of renewal premium due to the named insured not more than 45 days nor less than 10 days prior to the expiration date, stating clearly that the policy will terminate on the expiration date if the named insured has failed to pay the renewal premium by such expiration date;

2. on the effective date of any other insurance policy issued as a replacement for any insurance afforded by this policy, with respect to any such insurance to which both such policies apply

The mailing of notice as aforesaid shall be sufficient proof of notice. Delivery of such written notice shall be equivalent to mailing.

IMPORTANT MESSAGE . . .
Please Read This Letter

Dear Club Leader:

Enclosed is your premium notice and renewal policy for your ARRL Club Liability Insurance Plan.

You will note that there may be a change in your premium for this vital protection. The premiums are based on the size of your club and the current premium rate applicable to insureds in your state.

We feel confident that you will be unable to purchase coverage as broad as this policy offers at a lower premium rate.

Remember -- every time your club holds a meeting or sponsors a hamfest you leave yourself and other officials open to a potential lawsuit. As the sponsoring organization you could be accused of negligence that results in bodily injury or damage . . . and be held responsible for damages.

Please return the enclosed premium notice with your premium payment as soon as possible.

Thank you for giving us this opportunity to be of service to you and your club.

Sincerely,

Susanne K. Chakos

NOTICE OF POLICY NONRENEWAL AND CONVERSION

A major revision has recently taken place in the insurance industry's standard policy forms. Therefore, CIGNA Companies are revising most property, general liability, package and umbrella liability insurance policies, including your policy listed above.

Although we stand ready to provide you uninterrupted insurance protection, state law necessitates that we notify you that the policy listed above will not be renewed after the expiration of its current term. Coverage provided by that policy will end as of the expiration date shown above. Our reason for nonrenewal is that we have withdrawn your old policy and replaced it with a new one.

WE RESPECTFULLY REQUEST THE OPPORTUNITY TO CONTINUE TO PROVIDE YOU UNINTERRUPTED COVERAGE WITH OUR NEW POLICY.

Please take a few moments to read the Description of Changes pamphlet which is enclosed. It describes in detail how the new policy is different from your current policy.

In addition, you will need to decide what coverages and limits your new policy should have. If you have not already done so, please discuss this important matter with your agent or broker as soon as possible.

You are important to us. We want to continue to help you meet your insurance needs. For us to do this, and to make sure you have uninterrupted coverage, it is important that we know, as quickly as possible, what coverages and limits you and your agent or broker have selected.

We appreciate the continued opportunity to serve as your insurance carrier.

NEW COMMERCIAL GENERAL LIABILITY POLICY

Description of Changes

This pamphlet is not your policy. It merely summarizes many of the changes in policy terms, coverages and conditions between the Comprehensive General Liability contract (or the Section II Liability portion of an SMP and TMP policy) and the new Commercial General Liability contract, Occurrence form.

When received, **READ YOUR POLICY CAREFULLY** to determine rights, duties, and what is and is not covered. Only the provisions of your policy determine the scope of your insurance protection. Further, any new Commercial General Liability contract issued to you may contain special endorsements modifying the basic policy outlined in this pamphlet.

CHANGES INTRODUCED BY THE NEW POLICY

Policies providing general liability coverage have been revised. They are printed in a new 'easy-to-read' format and contain some coverage changes.

The differences between your current liability coverage and the new Commercial General Liability contract, Occurrence form are outlined in the comparison which follows. Except as may be modified by endorsement, major changes include:

- **Scope of Coverage.** The new policy incorporates the coverages most commonly sought in the marketplace. Previously, many of these coverages were provided only by special forms and endorsements. Now they are built right into the basic policy.
- **Limits of Insurance.** Aggregate limits are now placed over all coverages to fix the absolute maximum we will pay under the policy for total damages and medical expenses. One aggregate limit applies to coverage for your products and completed work, and a second aggregate limit applies to all the other coverages. (Previously, aggregate limits applied to several individual coverages, but not to the entire scope of coverage.) Beneath these aggregates are "per occurrence" limits and several other sublimits.
- **Pollution Liability.** The new policies do not cover this liability if the pollutants escape from your premises or a waste disposal or treatment facility. (This exclusion in the previous policy did not apply to "sudden and accidental" emissions of pollutants; the new exclusion does not have this exception.) Certain pollution exposures away from your premises — including many that arise out of your products or your work — are covered regardless of whether the emission was "sudden" or not.

Please refer to the comparison which follows for further details

I. Occurrence Coverage Provisions

The New Commercial General Liability-Occurrence policy provides coverage for liability because of bodily injury and

erty damage that occurs during the policy period, matter when the claim is made, just like the pre-policy.

onal injury and advertising injury coverage is afforded for offenses committed during the policy period. , coverage is granted for medical expenses for ly injury which occurs during the policy period.

ons of Coverage

tractual Liability Coverage¹

Contractual liability is restricted to tort liability assumed from another person or organization.

Contractual coverage for liability assumed in connection with the ownership, maintenance or use of any auto owned or operated by or rented or loaned o any insured is no longer afforded.

ition Liability Coverage

rage with respect to the following situations is no er afforded:

issions of pollutants

at or from insured premises;

at or from a site used for the handling, storage, disposal, processing or treatment of waste;

f the insured handles, transports, etc. the pollutants as waste;

f the pollutants are brought to a job site in connection with the operations being performed at that site; or

e operations involve the clean up, containment, etc. e pollutants.

ding or unloading of an aircraft or watercraft

rage with respect to the loading or unloading of an aft or watercraft may be restricted depending upon actual circumstances because the term "loading or ading" is now being defined.

ile Equipment Coverage

road hazard is no longer covered for the following s of self-propelled vehicles:

Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or ower workers; and

on is based on the assumption that the insured currently has coverage. However, the inclusion of contractual liability coverage, tractual liability assumed under any contract or agreement which is contract" under the old CGL policy, would be construed as a broad age if the insured does not have contractual liability coverage under eral liability policy.

b. Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.

E. Property Damage Liability Coverage

a. Property in care, custody or control

The exception for elevators with respect to property in the care, custody or control of the insured has been eliminated so that property on elevators will be treated the same as other property in the care, custody or control of the insured.

b. Broad Form Property Damage Liability Coverage²

To the extent that the care, custody or control exclusion applies, coverage is no longer provided away from the insured's premises for:

(1) tools or equipment loaned to the insured while not actually being used;

(2) any portion of personal property upon which operations are not being performed.

F. Medical Payments Coverage³

a. Medical payments are now subject to the newly established policy General Aggregate Limit as well as the Occurrence Limit.

b. All insureds have been excluded from the medical payments coverage rather than just the named insured, partners and employees as in the old policy.

c. Medical payments coverage for employees of non-residents has been eliminated.

G. First Aid Coverage

First aid coverage has been built into the Medical Payments coverage and will be subject to the applicable policy limits.

H. Who Is An Insured

a. Automatic Coverage for Newly Acquired Organizations⁴

(1) Coverage is limited to liability for bodily injury or property damage that occurs after the newly acquired organization becomes an insured,

²The restriction of coverage in this area only applies when the insured currently has the Broad Form Property Damage Liability coverage. Otherwise, the inclusion of the Broad Form Property Damage Liability coverage in the new policy would be broadening of the insured's coverage.

³The restriction of coverage in this area only applies when the insured currently has the Medical Payments coverage. Otherwise, the inclusion of the Medical Payments coverage in the new policy would be broadening of the insured's coverage.

⁴The restriction of coverage in this area applies only when the insured currently has the Automatic Coverage for Newly Acquired Organization. Otherwise, the inclusion of the Automatic Coverage for Newly Acquired Organization would be a broadening of the insured's coverage.

(2) Coverage for Personal Injury or Advertising Injury is limited to offenses committed after the newly acquired organization becomes an insured, and

(3) Coverage is no longer afforded automatically for newly formed partnerships.

Coverage for liability arising out of the conduct of past partnership or joint ventures which are not shown as named insureds in the Declarations has been eliminated.

Other Insurance

The establishment of a General Aggregate Limit presents a restriction on coverage for losses which were not previously subject to the aggregate limit concept.

Fire Damage Legal Liability Coverage⁵

Payment for Fire Damage Legal Liability is now subject to the applicable "General Aggregate" limit.

Commercial General Liability Conditions

Within the "Other Insurance Condition", the Excess Insurance provision now indicates that the limited coverage for aircraft, watercraft and autos is on an excess basis.

Reduction of Coverage

Bodily Injury Liability Coverage⁶

Bodily Injury resulting from the use of reasonable force to protect persons or property is now covered.

Contractual Liability Coverage⁷

Tort liability for bodily injury and property damage assumed under an "insured contract" is now covered.

The "third party beneficiary" and "operations within 50 feet of railroad" exclusions are eliminated for this coverage.

Statutory Liability Coverage

Statutory liability of an owner or lessor who leases premises to someone in the liquor business but who is not themselves engaged in the liquor business, is now covered.

None of the coverage in this area applies only if the insured currently has the liability coverage. Otherwise, the inclusion of the Fire Damage Legal Liability Coverage would be a broadening of the insured's coverage only to insureds who do not have the Broad Form CGL endorsement. Similarly, the inclusion of contractual liability coverage other than contractual liability assumed under any contract or agreement which is an "incidental contract" under the old CGL policy. Otherwise, the inclusion of this area may be restricted. Refer to Section II "Reduction of Coverage" for details.

b. Liquor law liability assumed by any insured who is not engaged in the liquor business is now covered.

D. Pollution Liability Coverage

Although there is an almost total exclusion of pollution liability, coverage with respect to the following situations is now provided:

Non-sudden or gradual emissions of pollutants (other than waste):

- arising out of the products/completed operations hazard;
- occurring away from insured premises in connection with ongoing operations if:
 - the pollutants were not brought on to the site in connection with operations, and
 - operations do not involve the clean up, containment, etc. of pollutants.

E. Non-owned Watercraft Coverage⁸

Coverage for non-owned watercraft under 26 feet in length is now provided.

F. Mobile Equipment Coverage

The use or operations of snowmobiles is no longer specifically excluded.

G. Property Damage Liability Coverage

- The exclusion of property in the insured's care, custody or control no longer applies to real property.
- The alienated premises exclusion no longer applies to premises built and held vacant for sale by the insured.

H. Personal and Advertising Injury Liability Coverage⁹

Coverage for Personal and Advertising Injury Liability is now provided to the insured.

I. Fire Damage Liability¹⁰

Fire Damage Legal Liability Coverage is now provided.

J. Medical Payments Coverage¹¹

- Medical Payments coverage is now provided.
- The minimum per person limit is increased from \$1,000 to \$5,000.

⁵This applies only to insureds who do not currently have the coverage for non-owned watercraft under 26 feet in length as provided under the Broad Form CGL Endorsement.

⁶This applies only to insureds who do not currently have Personal Injury or Advertising Injury Liability coverage. Otherwise, the coverage in this area may be restricted. Refer to Section I "Reduction of Coverage" for details.

⁷This applies only to insureds who do not currently have Fire Damage Legal Liability Coverage. Otherwise, the coverage in this area may present a restriction of coverage. Refer to Section I "Reduction of Coverage" for details.

⁸This applies only to insureds who do not currently have Medical Payments coverage. Otherwise, the coverage in this area may present a restriction on the insured. Refer to Section II "Reduction of Coverage" for details. Nevertheless, the increase of per person limit from \$1,000 to \$5,000 represents a broadening of this coverage to any insured.

Complementary Payments Coverage

maximum amount of actual loss of earnings under "reasonable expenses" provision has been increased from \$25 to \$100 a day.

is an Insured?

Employees are covered as insureds.¹²

Newly acquired organizations are covered automatically.¹³

Conditions — "Coverage Territory"

As the insured's legal obligation to pay damages determined in a suit on merits in the United States of America (including its territories and possessions), to Puerto Rico and Canada.

Products liability coverage is extended worldwide and is no longer limited to goods or products that are sold for consumption within the described territories.

Worldwide coverage now applies for liability arising out of activities of those insureds temporarily on business trips outside the policy territory.¹⁴

Policy Conditions — Cancellation and Non-renewal

Notice of cancellation to the insured is extended to 30 days for any reason other than nonpayment of premium.

30 days advance notice to the insured if the company does not renew the policy, is now provided.

Exclusions and Procedure Changes

Exclusion of Auto, Aircraft or Watercraft

For clarification purposes, liability arising out of entrustment of any auto, aircraft or watercraft is explicitly excluded. This may be perceived as a restriction of coverage.

Personal Injury Liability¹

Coverage with respect to "wrongful entry or eviction or invasion of the right of private occupancy" has been clarified. This may be perceived as a restriction of coverage.

Coverage only to insureds who do not currently have Employees As Additional Insureds.

Coverage only to insureds who do not currently have Automatic Coverage for Organizations. Otherwise, the coverage in this area may present a problem for the insured. Refer to Section II "Reduction of Coverage" for details.

Coverage only to insureds who do not currently have Broad Form CGL endorsement.

Coverage only to insureds who currently have the Personal Injury Liability Coverage on their policies.

C. Advertising Injury Liability Coverage²

For clarification purposes, a new exclusion which deals with the failure of goods, products or services to conform with the advertised quality or performance has been added to this coverage. This may be perceived as a restriction of coverage.

D. Limits of Insurance

- A new provision has been added which clarifies how the limits of insurance apply when the last policy period reached its anniversary and is extended for an additional period of less than 12 months.
- The combining of Bodily Injury and Property Damage into a single limit may present a different coverage result for a given insured depending on the extent of the new limit purchased and if an incident causes bodily injury only, property damage only, or a combination of bodily injury and property damage.

E. Inspection and Survey Condition

For clarification purposes, a new provision has been added which indicates that this condition also applies to any rating, advisory rate service or similar organization. This may be perceived as a restriction of coverage.

F. Duties in the Event of Occurrence, Claim or Suit Condition

This Condition now specifically requires that the Named Insured is responsible for notifying the company of an occurrence. It also requires that the Named Insured is responsible to see that the company receives prompt written notice of any claim or suit.

This is a procedural change from the current policy.

G. Premium Audit Condition

This Condition now specifies that the first Named Insured is responsible for the payment of premium due and for keeping the records or information for premium computation purpose. In addition, only the first Named Insured will receive the excess premium, if any, returned by the company.

This is a procedural change from the current policy.

²This applies only to insureds who currently have Advertising Liability Coverage on their policies.

- (b) premiums on appeal bonds required in any such suit, premiums on bonds to release attachments in any such suit for an amount not in excess of the applicable limit of liability of this policy, and the cost of bail bonds required of the insured

- (d) reasonable expenses incurred by the insured at the company's request in assisting the company in the investigation or defense of any claim or suit, including actual loss of earnings not to exceed \$25 per day.

CONDITIONS

1. Premium: All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the named insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the company shall return to the named insured the unearned portion paid by the named insured.

The named insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the company at the end of the policy period and at such times during the policy period as the company may direct.

2. Inspection and Audit: The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections or the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to determine or warrant that such property or operations are safe or healthful or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws: When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The insured agrees to reimburse the company for any payment made by the company which it would not have been obligated to make under the terms of the policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit:

(a) In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the insured and of available witnesses, shall be given by or for the insured to the company or any of its authorized agents as soon as practicable.

(b) If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons or other process received by him or his representative.

(c) The insured shall cooperate with the company and, upon the company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of injury or damage with respect to which insurance is afforded under this policy, and the insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

5. Action Against Company: No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the insured's obligation to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the company as a party to any action against the insured to determine the insured's liability, nor shall the company be impleaded by the insured or his legal representative. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any its obligations hereunder.

6. Other Insurance: The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

(a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

(b) **Contribution by Limits.** If any of such other insurance does not provide for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation: In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

8. Changes: Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy, nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

9. Assignment: Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the named insured shall die, such insurance as is afforded by this policy shall apply (1) to the named insured's legal representative as the named insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the named insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

10. Three Year Policy: If this policy is issued for a period of three years any limit of the company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

11. Cancellation: This policy may be cancelled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the company by mailing to the named insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

12. Declarations: By acceptance of this policy, the named insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the company or any of its agents relating to this insurance.

In Witness Whereof, the company has caused this policy to be executed and attested, but this policy shall not be valid unless countersigned by a duly authorized representative of the company.

(B.) The Broad Form Property Damage Liability Coverage shall be excess insurance over any valid and collectible property insurance (including any deductible portion thereof) available to the insured, such as, but not limited to, Fire, Extended Coverage, Builder's Risk Coverage or Installation Risk Coverage, and the Other Insurance Condition of the policy is amended accordingly.

VII. INCIDENTAL MEDICAL MALPRACTICE LIABILITY COVERAGE

(B) the furnishing or dispensing of drugs or medical, dental or surgical supplies or appliances.

This coverage does not apply to:

Where the insured is, irrespective of this coverage, covered or protected against any loss or claim which would otherwise have been paid by the company under this endorsement, there shall be no contribution or participation by this company on the basis of excess, contributing, deficiency, concurrent, or double insurance or otherwise.

IX. LIMITED WORLDWIDE LIABILITY COVERAGE

The definition of policy territory is amended to include the following:

- 4. Anywhere in the world with respect to **bodily injury**, **property damage**, **personal injury** or **advertising injury** arising out of the activities of any insured permanently domiciled in the United States of America though temporarily outside the United States of America, its territories and possessions or Canada, provided the original suit for damages because of any such injury or damage is brought within the United States of America, its territories or possessions or Canada.

Such insurance as is afforded by paragraph 4. above shall not apply:

- (a) to **bodily injury** or **property damage** included within the **completed operations hazard** or the **products hazard**;

Attention: Miss Pam Stonerake

Dear Lady:

What went wrong in preparing the certificates and even the receipt for our liability insurance?

My name is H. Charles Kaetel spelled with a K not with an R.
The club name is Milwaukee Radio Amateurs Club, Inc.,

Our mailing address is in Menomonee Falls not Menominee Falls.

We have urgent need for receiving correct certificates as the school Recreation Department has reminded me that the 1987 certificate expires on December 31, 1987.

Also would like a replacement for the receipt with my name spelled with a K, not an R.

Yours very truly,

H. Charles Kaetel, Business Manager,
Milwaukee Radio Amateurs Club, Inc.

Exclusions:

The policy is designed to cover the usual and customary activities of your Club. It does, however, exclude unusual events such as fireworks, rock concerts, carnival and amusement rides, or powered auto, boat, motorcycle, or ski races. Claims arising from activities of any participant in any game, contest, race or sporting event, including practice, are also excluded. Coverage for these types of events may be included under the policy, subject to approval by the Underwriter. The policy also includes standard exclusions including claims for war, nuclear, auto, aircraft, watercraft and professional liability.

This material explains the general purposes of the insurance but in no way changes or affects the policy that is actually issued. Complete details can be found in the Insurance Policy.

PERSON vs. PERSON

CLUB LIABILITY INSURANCE

You Can Be Sued!

*Even when you haven't
done anything wrong.*

*Even when you aren't
liable.*

*Even when you think
the charges are absurd.*

Every time your Club holds a meeting or sponsors a fundraiser, it leaves itself open to a potential lawsuit. As the sponsoring organization, it could be accused of negligence that results in bodily injury or property damage, or may in some other way be held liable for damages.

Also, most meeting facilities now require the organization using their premises to purchase liability insurance. If your Club does not rent or own office space on a permanent basis, and rents space only when needed, you may find that the required "special events" policy is either unobtainable or very expensive. It's a problem you would have to face every time you scheduled a meeting.

The Club Liability Insurance Plan was developed specifically for ARRL affiliated Clubs such as yours.

This insurance can provide liability coverage for your Club's events and meetings throughout the year. The considerable time and money previously used to purchase separate policies for each event could be put to use elsewhere in the organization ... providing even better service to your members.

CLUB LIABILITY INSURANCE PROVIDES COMPREHENSIVE PROTECTION

Who is covered?

The Club is insured when named in a covered lawsuit for acts committed by members working for the Club and under its direction.

Officers and members are insured when named in a covered lawsuit as a result of Club activities when they are acting on behalf of the Club.

High limit coverage . . . no deductible

The policy provides \$500,000 or \$1,000,000 (your choice) of coverage each year . . . with no deductibles. If your Club had to find its own individual policy, it might have to accept a much lower limit of liability because of the prohibitive cost, or it might have to decide on a large deductible to bring the cost down.

Year-round protection

This comprehensive policy automatically provides coverage for lawsuits resulting from bodily injury and property damage at Club-sponsored activities. This includes concession stands, dances, banquets, hamfests, flea markets, swap meets, auctions, raffles, picnics and meetings to name a few. Coverage would also apply for official Club participation, for example, in a community event.

In addition to the policy limits, the plan also provides complete legal defense and pays the expenses of this defense for covered claims.

The plan reimburses expenses for first aid to others at the time of an accident.

The plan pays up to \$25.00 per day for expenses incurred which are related to the investigation or defense of any claim. It also pays premiums on appeal bonds and bonds to release attachments.

The Club Liability Insurance Plan provides 100% coverage up to \$1,000,000. There are no deductibles. The owners of premises used or rented by the Club are automatically named as additional insureds.

What kind of suits are covered?

Suits for bodily injury which occur on the premises or as a result of Club activities.

Suits for covered property damage resulting from the use of meeting halls, rental space or private homes for Club activities.

Suits for personal injury, including libel, slander, defamation of character, false arrest, invasion of privacy, detention and malicious prosecution (except for an offense related to membership, such as expulsion from or denial thereof).

Suits for liability from the sale of food and beverages or other products.

Suits for host liquor liability when alcohol is served or sold and you can be held responsible for guests' actions resulting from intoxication.

Suits for contractual liability for responsibilities you may assume under terms of a lease or rental of a room or equipment.

Suits for real or alleged faults in work completed by or for your Club, which result in bodily injury or property damage.

Suits involving the use of automobiles and watercraft not owned by the Club but used for official Club activities.

Suits arising from injury caused by the rendering or failure to render medical attention, and/or the furnishing of drugs and medical supplies.

Suits resulting from fire damage to the premises of any sponsored Club activity.

Defense against such suits even though the charges made are groundless, false or fraudulent.

Reporting claims

Any situation which may result in a claim should be reported immediately in writing to Albert H. Wohlers & Co., Administrator, Club Liability Plan, 1500 Higgins Road, Park Ridge, Illinois 60068. Telephone 312/698-2221.
